Sermon Series – Rescued

Sermon Subject – Sunk

Discussion Questions

1. In the Old Testament sacrificial rituals prepared people for the coming of Christ. What experiences have prepared you to grasp your own insufficiency and rely on God? (How were you sunk and rescued?)
2. A lot of emphasis has been placed on acknowledging sin and recognizing the need for grace. How are you accepting this gift God offers?
3. Why may it be to our advantage to be “less than the least of all the Lord’s people” when telling of the boundless riches of Christ? (Eph 3:23)
4. The more we acknowledge our need for a savior we become more like Him and more useful to His kingdom. How are you being useful to His kingdom?
5. Who would you climb out of your boat to rescue?
