## **Sermon Series – Rescued**

## **Sermon Subject – Rules**

### **Discussion Questions**

1. Describe the ways you have experienced the Bible as both a book of rules and as a book of roadmaps.
2. In what areas are you most stubborn when it comes to Biblical authority? Examples may include failing to put the needs of others before yours, not pursuing a mature faith, self-centeredness, pride, lack of generosity with your resources, believing you can do it without God's help. What else makes you a challenge these days?
3. How is God blessing you with "Maximum freedom under God's authority?"
4. Put the words Rest, Rescued and Rules into the sequence they need to be experienced in order for you to realize and live the obedient life God created you to live. Explain the reason for the sequence you have chosen.
5. What will you do this week to follow the Galatians 5:13, 14 command to live in freedom and love your neighbor as yourself?
