

It's time to begin thinking about preschool registration for next school year!
Please fill in the section below to help us get the registration process started. Your student is not considered enrolled until you have paid the \$90 registration fee for the 2025/2026 school year. In addition, every family must resubmit preschool forms annually. This will ensure our school stays compliant with state regulations and your student records are always kept up to date. We appreciate your understanding!
